

TOOLS OF SCIENCE europe

Gateway to Life Science Capacities

The screenshot shows the website's header with the logo and navigation links. Below is a search bar with the text "What are you looking for?" and a search button. Three featured articles are displayed in a grid:

- Tools of Science Europe**: The gateway for life science professionals in Europe. The gateway provides information on service companies and core facilities across Europe. Initially 13 bioregions from Barcelona to Debrecen and Stockholm have been involved, and more bioregions are on the way. Read more about it here. *Welcome!*
- BioEntrepreneur Boot Camp**: Learn how to avoid the biggest pitfalls and traps. A three day state-of-the-art intensive bootcamp for striving entrepreneurs within life science is offered in different locations throughout Europe. Read more here.
- Infection & Immunity Technology Showcase**: London Dec 1st. A great opportunity has arisen for researchers to pitch their innovative technology ideas in the field of infectious diseases and immunity to a high level audience of life sciences companies. Read more here.
